Nancy Lord is on the west coast, but has her Georgia staff members working with Bob Starr and Jimmy McCranie.

We received a call from one of her staffers who has been in contact with Bob Starr. His message is that he is being treated well (good move feds!) and is requesting as much support as possible at his bond hearing.

The hearing has been set for 9:00am but the location has not yet been established. It will either be in Macon or Atlanta. Will post to the list as soon as it has been determined.

Also, Bob specifically requested that supporters NOT show up in BDUs.

Will post additional information as it becomes available.
